

CONSTRUCT
VEHICLE ANTI-THEFT SYSTEMS

COMMON PRINCIPLES FOR ALL LOGOTYPES

1. The CONSTRUCT logo can only be used in the original shape and design.
2. The colour scheme and the aspect ratio must be observed unconditionally.
3. Modifications and and/or new variations of the logo by adding of primitives or text are not permitted.
4. The logo may be used alongside with other logos, graphic elements and texts only only so long as there is no interference with the logo itself or its connotation or meaning, i.e. the logo cannot be arbitrarily combined with other graphic or text elements.
5. Permission to use the logo shall be granted only to organizations involved in trading activities of a member of the CONSTRUCT Group /i.e. especially CONSTRUCT product distributors or entities whose events and activities are supported by CONSTRUCT etc./, the use of the logo by other entities shall be allowed only at events where CONSTRUCT participates, directly or indirectly.
6. CONSTRUCT reserves the right to ban use of the logo by specifically designated entities or restrict the use thereof.
7. The logo is a registered trademark under the laws of the Czech Republic (registration with the Intellectual Property Office of the Czech Republic, registration number 223062, record date 24 February 2000), as well as under the international law (registration number 729022 at the World Intellectual Property Organization).
8. The CONSTRUCT brand name also enjoys protection under Czech law (registration with the Intellectual Property Office of the Czech Republic, registration number 223061 dated 24 February 2000), as well as by international law (registration number 729020 at the World Intellectual Property Organization).
9. The logo may be used only so as not to compromise the trade mark the ownership thereof.
10. The logo may not be used in breach of these rules.
